Dear Lam Thuy Vo:

This letter is in response to your request for expedited treatment regarding the subject: I-589 applications between January 1, 2008 through November 21, 2018. Your original Freedom of Information Act (FOIA) request was received on November 20, 2018.

Based on the information you provided, we have determined that expedited processing of your request is not warranted. The Departmental regulation at 6 C.F.R. § 5.5(e)(1) requires that you demonstrate that your request warrants expedited treatment because it involves:

- (i) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;
- (ii) An urgency to inform the public about an actual or alleged federal government activity, if made by a person who is primarily engaged in disseminating information;
- (iii) The loss of substantial due process rights; or
- (iv) A matter of widespread and exceptional media interest in which there exist possible questions about the government's integrity which affect public confidence.

In the event you can demonstrate any further showing as to the nature and degree of any of the above categories, submit this additional information to this office for reconsideration.

You have the right to file an administrative appeal within 90 days of the date of this letter. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision. You may file an administrative FOIA appeal to USCIS at: USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."
